Vol 10, Issue 4, June 2016

Class of 2016 – Top Ten Graduates

Tristan Anderson is the son of Dean and Jaclyn Anderson. He is the valedictorian for his class, and he plans to attend Muskegon Community College using the Promise Scholarship before transferring to Michigan State University to study Veterinary Science.

Riley Hicks is the daughter of Aurea Romager and Stephen Romager. She is the salutatorian for her class, and she plans to finish her Associate's Degree at Muskegon Community College using the Promise Scholarship before transferring to Michigan State University to study Political Science and Journalism, with minors in Art and Spanish.

Rachael Moreen is the daughter of Gary and Ann Moreen. She finished ranked third in her class, and she plans to attend Muskegon Community College using the Promise Scholarship before transferring to a four year university. Rachael finished first at the regional HOSA event for future health professionals in Public Health.

Erin McDermott is the daughter of Tom and Maureen McDermott. She finished ranked fourth in her class, and she plans to enlist in the United States Army Reserve as a military police officer and also attend Ferris State University for criminal justice in the Honors Program. Erin represented Holton on Muskegon's Youth Advisory Council Board.

Stephanie Rohr is the daughter of Larry and Laura Rohr. She finished ranked fifth in her class, and she plans to attend Muskegon Community College using the Promise Scholarship before transferring to Grand Valley State University to study accounting and management.

Mystic Hayes is the daughter of Maritza Rodriguez and Langston Hayes. She finished ranked sixth in her class and plans to attend Muskegon Community College using the Promise Scholarship before transferring to a four year university to study art education.

Ashley Carlson is the daughter of Peter and Naomi Carlson. She finished ranked seventh in her class and she plans to attend Baker College of Muskegon using the Promise Scholarship, where she plans to study to become a physical therapist's assistant.

Kayley Farber is the daughter of Tammy Hayford and Patrick Hayford. She finished ranked eighth in her class and she plans to use the Promise Scholarship to attend Muskegon Community College, where she will pursue a degree in nursing.

Darryn Rose is the son of William Rose and Kristin Rose. He finished ranked ninth in his class and plans to pursue a degree at Muskegon Community College using the Promise Scholarship before transferring to Michigan State University to earn a degree in Landscape Architecture.

Claire Conzemius is the daughter of Todd and Kristi Conzemius. She finished ranked tenth in her class, and she plans to finish the last year of her Early College Program at Muskegon Community College, before transferring to a four year university. Claire represented Holton on Muskegon's Youth Advisory Council Board.

County Commissioners

On May 23, 2016, County Commissioners Jeff Lohman and Kenneth Mahoney visited the Holton Public Schools Board of Education meeting to present the school district with a resolution honoring Holton High School for receiving national recognition by US News and World Report in 2016, as only one of two schools in Muskegon County to make the list of Best High Schools in America by the publication. The resolution went on to congratulate HHS for being the first school in the state to win the Cardinal Award from the Michigan College Access Network for improving our college going culture in our schools. Great things are happening at Holton Public Schools, and we have a dedicated and caring staff that is committed to developing the best learning environment possible for our students! On Holton!

HOLTON PUBLIC SCHOOLS BOARD OF EDUCATION

Four (4) four-year terms

District residents interested in seeking election to the Holton Public Schools Board of Education are encouraged to contact the Holton Public Schools Administration Building for a candidate's petition/s and filing documents or to get information on filing and election process, under the new Elections Consolidation Law. If you have any questions, call Holton Administration Building at 231-821-1700.

PLEASE NOTE:
The deadline for filing petitions is 4:00 p.m., Tuesday, July 26, 2016, at the Muskegon County Clerk's Office (in Muskegon). The election date is Tuesday, November 8, 2016.

LAST DAY TO REGISTER TO VOTE

If you would like to vote in the November 8, 2016 School Election you will need to register to vote by **Tuesday, October 11, 2016**.

You can do this at any Secretary of State Branch Office, County Clerk's Office or your Township Clerk's Office.

Varsity Softball Team Semi-Finals & Final Four of MHSAA!

The varsity softball team advanced to the semi-finals and the final four of the MHSAA state tournament, which was held at Secchia Stadium on the campus of Michigan State University on June 17, 2016. The Lady Red Devils fell to the Bulldogs of Indian River Inland Lakes by the score of 2-0, in a tough fought battle, which ended the team's season just one game short of the state championship game for a second year in a row. The ladies were once again conference, district, and regional champions, they were ranked in the top ten for most of the season, they finished in the final four, and there were plenty of post season awards won by many on the team! We are very proud of the effort of these ladies and the coaching staff, and we wish the departing seniors success in the future. The future continues to look bright for the Red Devils and we look forward to the continued success of the Lady Red Devils' softball team!

Summer Learning Fun!

Research indicates that students can lose up to a third of prior learning over summer break. Referred to as the summer slide, teachers often spend several weeks trying to recover the learning loss at the start of each school year. However, there are several ways to continue to keep your child engaged in learning. Dr. Matthew Lynch, an Associate Professor of Education at Langston University, offers these suggestions to help combat summer slide as written in *Education World*:

- **Family Reading Program:** Set up a summer reading program with your child in which s/he chooses an agreed-upon number of grade-level books to read per month. Make sure that you consult the child's teacher or a librarian for advice. In order to show solidarity, the entire family should participate.
- **Specialized Summer Camps:** Enroll your child in a specialized summer camp. These camps are fun and incorporate hands-on activities into their curriculum. Some of the more popular ones include computer, science and math camps.
- **Pick the Teacher's Brain:** Conference with your child's current or next teacher and ask him or her to suggest summer workbooks, science activities, essay topics and interesting summer activities for your child. You may even be able to elicit help in assessing your child's performance.
- **Learning While Vacationing:** If you are planning on taking a vacation this summer, you can turn it into a social studies activity. Ask your child to research the destination's history, cuisine, popular attractions, etc. Also, once you reach your vacation destination, you can schedule tours of famous landmarks and locations, which will increase social studies knowledge.
- **Summer Journaling:** Ask your son or daughter to write a daily journal of all the things learned each day. Remember, you will need to orchestrate learning activities for your children, because you can't trust that they will be able to do it on their own.
- **Turn Daily Activities Into Learning Opportunities:** If you're at the grocery store with your kids, challenge them to add up the total cost of your purchase. Driving to grandmother's house? Ask them to find certain colors, shapes, or patterns along the way. If you're dealing with older kids, think of appropriate variations.
- **Learning Locally:** Don't forget about the local park, museum, zoo, aquarium, etc. Your local community is full of learning opportunities you've probably never considered.

(Excerpt from http://www.educationworld.com/a_curr/ask-dr-lynch/preventing-summer-slide.shtml)

Learning during the summer can be fun! Incorporating some of these ideas into your summer plans may help prevent or decrease learning loss and make some wonderful family memories! Have a great summer!

Educationally Yours,
Adam Bayne

Prom 2016

Ashley Carlson and Tristan Anderson

Prom 2016 was an "Evening of Enchantment". Students and staff danced the night away at Shelby's The Loading Dock on April 23rd. Mason jars, twinkling lights and music helped the night be a success. Tristan Anderson and Ashley Carlson were crowned Prom King and Queen. A big thank-you to Jessica Wagenmaker, Erin Byrnes and the junior class for planning and hosting this year's prom. Everyone had a great time!

Decision Day

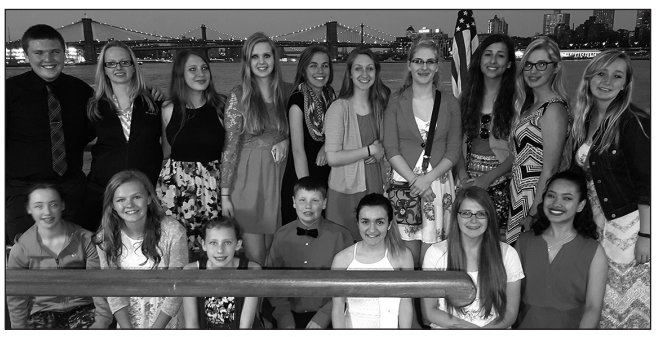
Holton High School's annual Decision Day event was held on Tuesday, May 17th and had 45 Seniors participate! Decision Day is a celebration of our seniors continuing their education after high school by enrolling in college, trade or technical schools, enlisting in the military, etc. Many post-secondary institutions were represented as destinations for our graduates and nine students will be using the Muskegon Promise. Those students will have their tuition paid in full for two years at either Muskegon Community College or Baker College of Muskegon! Each student signed a mock letter of intent in front of a special Decision Day Banner and received something from the institution they will be attending. Additionally, all middle and high school students attended the event in an effort to promote the value of post-secondary education. Through the use of a college access grant, our College Adviser, Mr. Frechen, was able to raffle off $2,000 of merchandise to our seniors. Prizes included: iPads, headphones, a bluetooth speaker, and a Keurig machine. In total, this year's Senior class was eligible for $521,170 in scholarship dollars!

Class of 2016

The Holton community celebrated graduation with the class of '16 on June 1, 2016 at Red Devil Stadium. Fifty-eight seniors received their diplomas and reflected on thirteen years of hard work that led to the moment. The seniors were led by Valedictorian, Tristan Anderson, and Salutatorian, Riley Hicks, and received the wisdom of keynote speaker Ed Bailey. It was a great night of celebration and a perfect send off for the seniors. **Good luck Red Devil graduates! On Holton!**

All A's Breakfast

On May 20, 2016 an "All A's Breakfast" was held for middle and high school students. The purpose of the breakfast is recognize and honor those students who have demonstrated a special commitment and effort for school. Students who have received A's for every class this year were invited to bring their families and enjoy breakfast together at school. Following the breakfast, students are given the day off from school to do something fun with their families. This is a great event and is a lot of fun for students and parents. Congratulations to all the students who worked hard all year to achieve this goal!



All A's Students who were in New York City

High School All A's

Middle School All A's

Holton PRIDE!

Mr. Nummerdor hands a Holton hat to a lucky winner.

The Holton PRIDE assembly was held on Thursday May 19, 2016 in the middle/high school gym. Holton PRIDE is a Positive Behavior Supports initiative that promotes and rewards good behavior. When staff members "catch" a student doing positive things, they receive a "Caught Red Handed" slip that they enter into a drawing for prizes. Twice a year assemblies are held and names are drawn. At the latest PRIDE assembly, students were awarded: hundreds of dollars in cash, dozens of $50 dollar gift cards to Gazelle Running, Holton gear, and many more prizes. A special thank you goes out to everyone and each business that made donations. This event is not possible without the support we receive from the community.

Congratulations to our Virtual Academy graduates for the 2015 – 2016 school year!

They are: River Stafford (mid-year graduate, not pictured), Dana Hanson, Miranda Owen, Destinee Richards, and Alexandra Robertson.

BAND STUDENTS – New York Trip

Choir Seniors

(left to right) Shianne Warner, Staci Tice, Bethanie Sullivan, Yuri Ishihara, Mystic Hayes, Emily Weiss, Arisara Yusamart, and Lilli Liskow

Band Seniors

(left to right) Cassie Showers, Rayne Woirol, Puntaree Isaramanorose, Derek Jakielek, Ashley Carlson, Emily Weiss, Lilli Liskow, and Yuri Ishihara

The 6th graders at HMS visited Grace Adventures in Silver Lake during the week of May 31 - June 3, 2016 for 6th grade camp. It was a great experience for all of our students, as they focused on team building and leadership skills during the week. A special thank you to our wonderful staff and the counselors at Grace Adventures for putting this experience together for our students!

KINDERGARTEN ENROLLMENT

If your child will be 5 years old on or before September 1, 2016, please contact Holton Public Schools at (231) 821-1700 to receive an enrollment package.

"AMERICA" CONCERT

On May 26th, the Kindergarten and 1st grade students performed their concert "America". The students did an amazing job of singing numerous patriotic songs. They honored veterans in the audience with "What do you say to a Hero", which they not only learned the words to but also the sign language. It was an extremely heartwarming concert put together by Ms. Johnson and the Kindergarten and 1st grade students.

Happy Summer!

Summer has arrived. The students of Holton Elementary had an extremely successful year of academic growth. Teachers continue to guide students through goal making and progress monitoring of those goals, and students continue to want to meet their goals and succeed. It has been a great privilege to watch the students grow over the past school year. As teachers report their end of year data, it is exciting to see how our students are making tremendous gains. I appreciate all the effort both students and staff have put forth this school year and look forward to more success to come.

Some of our students have elected to continue coming back to the elementary during the summer for our new Camp RED program. Camp RED was an idea created by the teachers of Holton Elementary. This includes three two week sessions of high interest activities. Some of the offerings are: photography, arts/crafts, baking, superheroes, fishing, creating online comic strips, silly science experiments, and more. All of these activities will include a reading, math, and creative thinking element. The program was designed to keep students' minds engaged over the summer months but also let them choose activities they are interested in. We look forward to Camp RED and seeing our students engaged and having fun throughout the summer months.

I wish all of our students and families a summer filled with sun, fun, and relaxation. I encourage our students to continue to read for the love of reading. Summer will fly by as it always does, and I look forward to seeing all their eager faces back here at Holton Elementary in the fall.

Educationally yours,
Erin Byrnes

SENIORS VISIT HOLTON ELEMENTARY

Holton Elementary had a visit from some very special guests recently. The graduating class of 2016 took a stroll through the halls of Holton Elementary with their caps and gowns. Elementary students lined the hallways and cheered for them and gave them high fives. Our younger students were in awe of the seniors.

PERFECT ATTENDANCE

Holton Elementary had three students who had perfect attendance for the entire school year. These students all received gifts to honor this accomplishment.

Congratulations to Allison LaBeau, Greyson Simpson, and Abigail Fowler

Middle School Archery Team

at Central Michigan University

Holton Middle School goes bananas over the "Stick it to Cancer" campaign, sponsored by the National Junior Honor Society. Rick and Karen Corley, board members for the Sandy Corley Memorial Run, accept the donation from HMS in the amount of $2,037.15! Great job students!

Members of this year's quiz bowl team prepare for a match. It was a great year for our quiz bowl team!

RTC FREE PARTY

On June 8th, students who had remained RTC free for the entire school year were invited to an ice cream sundae party. There were 139 students in Kindergarten – 5th grade that were RTC free for the school year. After ice cream the students were given an extra recess.

Congratulations to these students

RETIREMENT

Larraine Barnes will be retiring from Holton Public Schools this year after 30 years of service to the district. Larraine was honored during the Kindergarten and first grade concert with a flag created with her student's hand prints and she was asked to sing along with them to "You're A Grand Old Flag", a song she has taught to all of her first grade students each year. Larraine, even in her last year, was always enthusiastic and showed her love for learning. She will be missed in the halls of Holton Elementary.

FREE BOOKS FOR SUMMER

Mr. Kennedy applied and was given a grant which allowed Mrs. Almond to buy two free books for every Holton Elementary student for the summer. Students were able to choose two books from a variety of titles that interested them. Mrs. Almond also put together a packet of information advertising the Holton Public Library's summer reading program, in hopes that many of our students will continue to read over the summer and grow, not only, in their level of reading but also in their love of reading.

FIELD TRIPS

As the school year wraps up many classes had the opportunity to go on field trips. Kindergarten visited Country Dairy, 1st grade visited John Ball Park Zoo, 2nd grade visited Heritage Park, 3rd grade went to Double JJ Water Park, Mr. Parker's class participated in a two day nature study at the Muskegon Conservation Park, and 5th grade had a great time at The Imagination Station and Crazy Bounce.

FOOD DRIVE

The elementary, middle, and high school were asked by the Holton Community Center to run a food drive this spring to help fill their food pantry shelves for the summer months. The elementary held a contest among the classrooms to see who could bring in the most food items. Mrs. Plekes' class was the winner with over 300 items, and was rewarded by the Community Center with a pizza party. As a whole the elementary students donated 1,344 items to the food drive.

Instrument Rental Meeting
Wednesday, September 14th
6-7PM in the Holton Band Room

Holton Theatrics' production of "The Little Mermaid"

Athletics and Community

Softball Wins Conference Title

The Varsity Softball team has repeated as the CSAA Silver Champions. This is the 2nd league title for Holton Softball in history. This year's title was shared between Holton, Lakeview, and Kent City. All 3 teams had a league record of 14-6. Congratulations to the softball team on continuing the Tradition!

Softball Wins District Title

The Varsity Softball Team won another District Title on Saturday, June 4, 2016. The lady Red Devil's played two dominating games on their way to the title. In Game 1, Holton mercied Baldwin High School 13-0 in 5 innings. Leading the way were Emily Larabee at 2 for 3 at the plate and Morgan Murat with a bases clearing inside the park homerun. Haylee Brant pitched the win for Holton. Game 2 was a similar result as the Red Devils beat Big Rapids Crossroads 18-3 in 4 innings. Mikaela Baker pitched the win and many girls had a solid game at the plate. The Red Devils moved onto the Regional Tournament at Evart High School on June 11.

Softball Wins Regionals

The softball team defended its Division 4 Regional Championship by defeating Fife Lake Forest Area by the score of 15-5, before going on to beat Vestaburg 12-8 in extra innings. Morgan Murat hit a bases loaded triple in the top of the 10th inning to clinch the regional title. Haylee Brant and Mikaela Baker turned in outstanding pitching performances. The victory was the team's 14th straight victory, allowing them to advance to the state quarterfinal game against Coleman at Central Michigan University.

Academic All State

The Varsity Softball team has seen success on the field and off the field. The team was honored as a Michigan High School Softball Coaches Association Academic All-State team award. The team has to average their GPA's in order to receive the award. Holton was top two in the state in their division. Two individuals also earned individual Academic All-State honors. Kayley Farber and Rachael Moreen were recognized for their outstanding GPA's. Congratulations!

Kevin Slowik

sets school record in route to the State Track Meet

Kevin Slowik represented Holton Track & Field well at Regionals in Saugatuck on May 20th. Kevin is the Regional Champion in the High Jump with his Personal Record and new School Record with a height of 6'1"! Kevin also ran the 1600 Meter run and qualified for the State Track Meet for this event as well. Kevin earned 11th place in the 1600 meter and 16th place in High Jump at the Division 4 State Track Meet held at Housman Field in Grand Rapids on June 4th. **Congratulations to Kevin Slowik!**

Coach Tim Horenziak and Kevin Slowik at Houseman Field

All Region Softball Players

Haylee Brant, Morgan Murat, Macheylah Ross, Makayla Hutchison, Mikaela Baker, Emily Larabee, and Shelbey Younts.

MARCHING BAND

The Marching Band will be preparing a surprise show for this coming marching season. The tunes selected so far are very exciting and Mrs, Thompson can't wait to decide on a theme and the rest of the titles. Music choices are almost finalized. This show is guaranteed to be a fun filled performance for the audience and performers alike!

The incoming 7th and 8th grade Band students are invited to participate with the High School students in the Marching Band if they choose. It is mandatory to be at MARCHING BAND CAMP for each member of the Marching Band. Each day of camp will take place from 9AM-1PM.

Pre-Band Camp Dates:
August 10 & 11 (Drum Majors & Percussion)

Band Camp Dates:
Aug. 15-19 (M-F) • Aug. 22-25 (M-Th.)

A more detailed schedule will be passed out on the first day of Band Camp.

Band Camp Awards will be presented at the end as usual and spirit days will be announced via the Marching Band Facebook page and on the updated schedule. Kazoos and water blasters are sure to be a significant part of the experience per tradition. Camp will meet in the High School Band Room and move from the room to the Stadium. It will be full of fun, surprises, and most importantly, lots of MUSIC! Important things to remember to bring include: **athletic/running shoes**, water, sunscreen, sunglasses, layers of clothing (depending on weather) your instrument, a flip folder, a lyre, a pencil, and a snack.

If you are a middle school student, and you are planning on being in Marching Band – please make sure Mrs. Thompson knows **(ASAP - e-mail or call her right away)** so that she can plan for you to be in the drill!

Monday Night Rehearsals will again be used to keep our marching and music always improving and is also a necessity for the participating Junior Band members to keep up. Monday Night Rehearsal dates will be announced in the schedule that will be passed out at camp.

Keep communicating with Mrs. Thompson throughout the summer with questions!

gthompson@holton.k12.mi.us
231.821.1950 (Band Office)

COLOR GUARD

Holton Band would like to welcome the Color Guard to Marching Season! We would like to welcome back Madison Wackernagel who will be this year's Color Guard Captain and we would like to welcome our two new members to the Holton Color Guard: Melanee Cook and Matthew Deering!

HOLTON PRESCHOOL OPENINGS Still Available!

If your child is 3 or 4 years old, they may be eligible to attend a FREE preschool program at Holton Elementary School. We have several preschool programming options but slots are filling quickly. Make an appointment today by calling 893-1091!

2016-2017 Application for Free and Reduced Price School Meals

will be available online at
http://www.lunchapp.com or a paper copy will be available at the Admin. Building on July 15, 2016.

Four individuals, whose names are randomly drawn, will be awarded $25 gift cards for those families that turn in their free or reduced priced lunch applications for the 2016-2017 school year prior to the open house on August 31st. Our school's at-risk funding is determined by the number of approved applications, so please be sure to not only help yourselves out, but to help our school out as well. This will also help ensure that your child's application is approved prior to the start of school so that your child does not accrue a negative balance.

Please take time to fill this out so it can be processed before the first day of school.

Permanent Route Bus Drivers Needed!

No previous bus driving experience necessary
Training provided!
For more information call (231) 821-1707

Fall Sports Parents Meeting

We will be hosting the Fall Sports Parents Meeting on Monday, August 1, 2016. This will start in the gym at 6:00 pm. We will all be together to get information from the Athletic Director Jack Nummerdor and then split off into each specific sport. Very important information will be given out at this meeting for each sport and athletics in general. You must attend if your child is participating in any Fall Sport for Holton Middle School or High School.

COMMUNITY NEWS

Holton Community Days - July 28-30. See us on Facebook or call 747-5945.

Holton Historical Society - Meet 2nd Monday of month at 2:00 p.m.

Contact Marion @ 821-2659 for more information and how you can become a member.

REMINDER

On Tuesday, August 2, 2016, Muskegon County residents will be voting on an operating millage renewal and increase. The proposed 1.249 millage proposal will renew the current 0.749 mills with an additional 0.5 mills and provide funding for a period of 10 years through 2026. The existing millage provides funding through December 31, 2016. **The Muskegon Area District Library will cease to operate without the millage renewal.**

For more information on the Millage Proposal, call 737-6248 or visit online www.madl.org/millage.

Annual Book Sale during Holton Community Days
Friday, July 29, 11:00 a.m. - 7:00 p.m.
and on
Saturday, July 30, 9:00 a.m. - 4:00 p.m.

Congratulations & Best Wishes to Larraine Barnes

(Elementary Teacher)
on her recent retirement from Holton Schools.
