Dear Holton Families:

The Holton Board of Education approved the school calendar for the 2023-2024 School Year. This calendar aligns very closely with the MAISD County Wide Calendar to support our students who attend ISD programs including the Career Tech Center. While this calendar is very similar to our school calendars of the past, the calendar for next year is an intentional effort to provide an extended break for students and staff approximately every six weeks. Our hope is that these breaks will help support students and staff during the busy school year with an opportunity to rest, recharge, and catch up. Specifically, these breaks include:

- Fall Break                                      October 13-17
- Thanksgiving Break                        November 22-26
- Holiday Break                                 December 23-January 7
- Midwinter Break                              February 17-25
- Spring Break                                    March 29-April 7

We understand that added or extended breaks to the school year may be challenging for some families. We are working with our community partners to find ways to support families who may need childcare support during these breaks. The full calendar is attached and has been posted to our website. You can also view the [2023-2024 School Year Calendar HERE](#).

Please contact any of our offices if you have any questions.

As always, thank you for choosing Holton Public Schools!

Respectfully,

Dr. Adam Bayne  
Superintendent
