High School Office – (231) 821-1725 • Athletic Office – (231) 821-1930

May 8, 2024

Dear Holton Community:

Thank you for your support! While the election results are still being finalized, I wanted to share with you the unofficial results of the non-homestead operating millage renewal for Holton Public Schools.

The non-homestead operating millage renewal passed with approximately 75% of voters supporting the renewal. This will provide stable funding for HPS into 2030 without any tax increase for homestead properties.

Again, thank you for your continued support for Holton Public Schools. I am very proud and grateful to serve this community! On Holton!

With Great Respect,

Dr. Adam Bayne  
Superintendent
