School Annual Education Report (AER) Cover Letter

February 10, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2021-22 educational progress for Holton Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Erik Carlson, Secondary Principal, for assistance.

The AER is available for you to review electronically by visiting the following web site <https://www.holtonschools.com/ourdistrict/administration/annual-reports/> or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school has not been given one of these labels.

Combined Report Summary / Key Initiatives and Challenges

Holton Middle School is focused on the improvement of student learning and achievement through the development of school programs and process characteristics that are continually improving. In past years the Michigan Student Test of Educational Progress (M-STEP) is an assessment used for tracking and

improving achievement. Holton Middle School used NWEA MAP Growth scores from fall and spring to measure and improve academic achievement.

NWEA is a rigorous assessment aligned to the Common Core State Standards. In analyzing the fall and spring 2021 NWEA assessment data, 6th grade Language Usage scores increased from a mean RIT of 203.1 to 214.1. In 7th grade the scores increased from a mean RIT of 203.7 to 209.5. In 8th grade it went from 207 to 208.8. In mathematics 6th grade increased from 205.3 to 214.1. In 7th grade it went from 207.1 to 211.9. In 8th grade from 209.9 to 212.6. In 6th grade Reading a RIT mean score of 204.6 increased to 212.9. In the 7th grade Reading test there was a mean RIT increase of 204.1.9 to 207.6. In 8th grade Reading scores went down from 207.5 to 209.3. In the 6th grade Science tests a mean RIT of 201.8 increased to 2206.6. In 7th grade the increase was from 201.6 to 207.5. In 8th grade showed no growth 207.3 to 207.3.

This list of academic improvements is also highlighted by a growing list of improvements in various areas throughout the school system that range from additional academic accomplishments to athletic accomplishments to accomplishments attained by many of the student-led groups and associations within Holton Public Schools. In regards to areas of improvement, Holton Middle School has identified areas within its school improvement plan to continue this trend of improved learning opportunities for students, parents, staff members, and the greater school community. These areas of improvement will help the school to accelerate student achievement, while also closing persistent gaps in student achievement.

Holton Middle School will focus on providing intensive intervention support for students in the areas of mathematics, reading, writing, science, and social studies so that we continue to progress toward meeting the proficiency targets outlined for each subject and content area, as well as grade level. This includes targeting specific subgroups for improvement as outlined within the school’s comprehensive needs assessment, as well as an improved sense of focus on the use of assessment data to improve the interventions and supports that we provide students. Further, in addition to academic supports, the affective domains of positive behavior support, improved attendance and graduation rates, improved student career and college readiness levels within the district and increased parental involvement in decision

making processes at Holton Middle School have been identified as areas to strengthen within our system. State law requires that we also report the additional information outlined below.

Pupil Membership Assignment

Holton Middle School serves students in 6th through 8th grade. Students are scheduled based on need and credit attainment according to Michigan’s curriculum, and the policies set forth by the Board of Education at Holton Public Schools, while working in coordination with the student’s Educational Development Plan (EDP) developed using Xello, and/or any Personal Curriculum that may be developed for students based upon need. A small percentage of students are assigned to the Holton Virtual Academy, based upon need or student request, and the criteria outlined in the student handbook for the non-traditional school program.

Status of the 3-5 Year School Improvement Plan

Holton Middle School is continually striving to improve the quality of education for our students. The middle school staff works together as a team to determine goals and objectives for increased student achievement based upon needs outlined within the various sources of achievement, demographic, process, and perception data that are collected at least annually. Our current school improvement goals at Holton Middle School include:

- Goal 1: Increase Reading Proficiency
- Goal 2: Increase Writing Proficiency
- Goal 3: Increase Math Proficiency
- Goal 4: Increase Parental Involvement
- Goal 5: Promote and Sustain a Safe Learning Environment
- Goal 6: Promote a College Going culture

Staff professional development is provided through continuous and ongoing in-services and education provided throughout the year in such areas as: differentiated instruction, literacy, data collection, assessments (formative and summative), curriculum, Professional Learning Communities, Restorative Practices, and mentoring.

Specialized Schools

Our district provides educational alternatives, opportunities, and support for students with special needs. Special Education services include self-contained programs, resource programs, teacher consultant services, speech and language services, school social work services, psychological services, occupational therapy services, and physical therapy services. The Individualized Education Program (IEP) team meets with students and parents to determine the best supports a student needs to access the curriculum and succeed in school. The District also operates Holton Virtual Academy, which is a specialized school program providing secondary students with an opportunity to participate in an online virtual learning program, which is a hybrid high school experience that includes components of both online learning, as well as face – to – face interactions each week with the student’s assigned mentor. While this program is intended for students seeking a non-traditional high school experience, online course offerings are available to students in grades 6 through 8 for students who require such a service.

Core Curriculum Holton Middle School has implemented a curriculum plan, which integrates a foundation of academic knowledge with our District’s Learner Outcomes. Complete curriculum maps and a description of the curriculum’s implementation are posted on our website at www.holtonschools.com. There are not any variances from the State’s model. Our students, upon graduation, will demonstrate the necessary skills to be a/an:

- **Life-long self-directed learner** by using technology and selecting educational experiences to meet changing personal and work needs.
- **Effective communicator** by communicating written, visual, non-verbal and spoken languages.
- **Collaborative contributor** by using effective leadership and/or group skills to develop and manage interpersonal relationships within diverse settings.
- **Goal setter** by learning how to set achievable goals, to evaluate options to meet goals, and take action to accomplish them.
- **Problem solver** by learning to anticipate, access, attach, and resolve problems and challenges with a systemic process.
- **Involved citizen** by recognizing roles and responsibilities, contributing time, energy and talents to improving the welfare of self and others and the quality of life in the local and global communities.

Parent Participation

One of the key factors in providing excellent learning opportunities for students is strong, active parent participation. Holton Middle School encourages parental involvement and is evident by their active role in our educational process, including participation shown by attendance at our Parent – Teacher Conferences.

Participation in Parent – Teacher Conferences for the 2021-2022 year had 35% (63 parents) in the fall and 29% (52 parents) in the spring. Compared to 2020-2021 school year had 27% (51 parents) in the fall and 25% (46 parents) in the spring.

Closing Paragraph

Holton Middle School is committed to continuous improvement working to provide our students with a foundational education that will lead to post-secondary educational attainment. Our safe, caring, and small school environment ensures a focus on individual student needs coupled with our creative instructional approaches helps engage students in the learning process.

Sincerely,

Erik Carlson, Principal
Holton Middle School
