

**Jennifer Thornton**  
**Class of 1994**  
**Female Athlete Inductee**

Jennifer Thornton graduated from Holton High School in 1994. As a Basketball, Volleyball, and Softball athlete, Thornton became a leader and stand out player. In basketball, Thornton had a tremendous ability to box out and aggressively rebound. She was not shy to get rough with her opponents to force a turn over.

Volleyball is where Thornton excelled. She was a skilled outside hitter helping lead the 1993 state runners up team and the 1994 state championship team. On the court, Thornton had high energy, encouraging her teammates by cheering loudly for every play. Thornton's powerful hitting made it hard for any defensive effort. She was a proud Red Devil and this school pride was contagious throughout the team and school. Thornton's athletic legacy continues to inspire and helped forge an example of how hard work and dedication leads to success.

Thornton's athletic success and leadership make her a worthy inductee into the Holton Athletics Hall of Fame.
