

Holton Middle School Parent-Student-Teacher Compact

A Promise of Commitment

We, the Holton Public School staff, parents and community, guide each child in achieving his or her greatest potential by providing a diversity of experiences which integrate excellence in education with the child's individual abilities and unique talents. We share the responsibility, in a safe and secure environment, for student acquisition of academic, creative, emotional, physical and social skills necessary for entering society as contributing members. We strive to enhance each child's experience at HPS by continually assessing and evaluating our attainment of these goals as measured by descriptive outcomes.
